

## THE BUSINESS SCHOOL GRADUATE DEGREE PROGRAMS

### THE FUTURE OF BUSINESS EDUCATION IS HERE

Full AACSB global accreditation places the CU Denver Business School in the top five percent worldwide. Our students learn from faculty who are leaders in their field and respected for their research. The programs are designed for working professionals with flexible class schedules and many ways to customize the degree to fit your individual career goals.

### NETWORKING AND CAREER SUPPORT

The Business Career Connections (BCC) office provides students and alumni with in-person and online tools to help achieve individual career goals. BCC hosts exclusive networking and educational events that connect students to business leaders in the Rocky Mountain Region.

### CONNECTED TO BUSINESS AND DENVER

Over 300 businesses have partnered with the Business School to donate money for scholarships, participate on boards and advisory councils, and provide internships and jobs for our students. Over \$12.1 million in donations from businesses and individuals have helped create specialized programs including: **Global Energy Management, Risk Management and Insurance, the J.P. Morgan Center for Commodities, and the Jake Jabs Center for Entrepreneurship.** The Business School building is in the heart of Denver's thriving central business district – rated one of the best cities for business and careers by Forbes.

"Choosing to study at CU Denver is one of the best decisions I have made. A degree from this school will lead a student to greater job stability. Either working in a corporate environment or in your own business, you are contributing to the community, too."

– Kunpot Suriwong, Master's in Business Administration & Mgmt

## PROGRAM AND ADMISSION REQUIREMENTS

Our graduate programs provide a rigorous learning environment for students who are serious about furthering their business education and careers.

Note: If you are applying for the 11-Month MBA, Executive MBA, the Executive MBA in Health Administration, or the Global Energy Management (GEM) Program, please refer to the website for specific application requirements.

### PREVIOUS EDUCATION

We review your complete academic record, including GPA and previous coursework. We accept a variety of undergraduate degrees, but they must be from an accredited institution.

### TESTING

The Graduate Management Admissions Test (GMAT) is required for admission. The Business School uses the test as one predictor of academic performance. The average GMAT score of admitted students is 580.

If you wish to waive the GMAT based on a previous graduate degree, the admissions committee will examine your graduate transcripts to determine if you have the necessary verbal and quantitative baseline for admission. Students completing the General Business Certificate at CU South Denver with a cumulative GPA of 3.5 or higher and earning a B+ or better in BUSN 6550, are eligible to request a waiver of the GMAT when applying to the professional MBA.

Some graduate programs also consider the GRE test. If you wish to be considered with your previous GRE score, indicate that when you submit your application. Most programs require a 20 percentile or better for the verbal and quantitative sections. The admissions team will let you know if your GRE scores have been accepted. Evidence of English language proficiency may be required: ITELTS: 6.5, TOEFL: 75, PTE: 51 (see full policy for details).

### WORK EXPERIENCE

A relevant background and a history of increasing responsibility are viewed positively, but not required for admission.

### APPLICATION REQUIREMENTS

Submit complete application materials with a non-refundable application fee. Applications are available on our website at [business.ucdenver.edu/admissions](http://business.ucdenver.edu/admissions).

### GENERAL BUSINESS SCHOOL REQUIREMENTS

To be eligible for graduation, students should have a cumulative GPA of 3.0 or higher and complete all degree requirements within the times allocated: five years for MBA and MS degrees and seven years for dual degrees.

## APPLICATION DEADLINES

Current deadlines are listed on the Applications website and are subject to change. Visit [www.business.ucdenver.edu/admissions](http://www.business.ucdenver.edu/admissions) to find out more.
